

Blackboard: How to View Blackboard Collaborate Recordings

Note: If you experience difficulties with accessing Blackboard Collaborate recordings, reach out to your instructor via email.

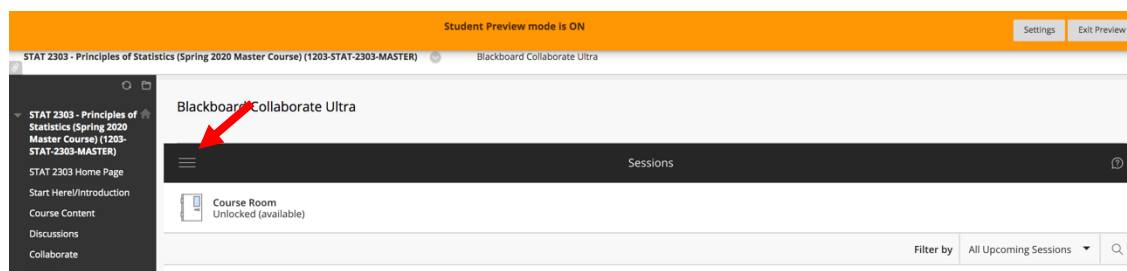

First things first! Log into <https://learn.uark.edu/>

On the first page you encounter, look under ‘My Courses’ at ‘Spring 2020 [1203]’ course listings and click on the course where you would like to submit an assignment/assessment

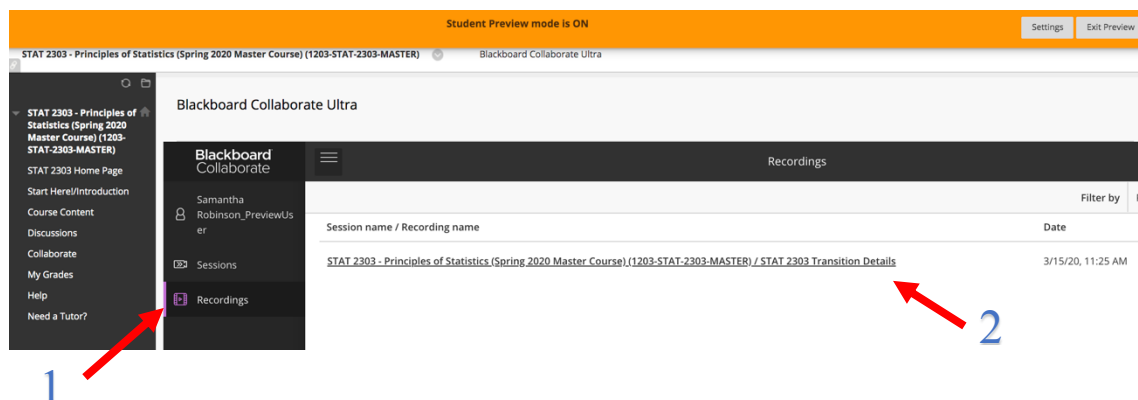

1. Click on the ‘Collaborate’ tab

2. Click on the three stacked lines (\equiv) in the upper left corner

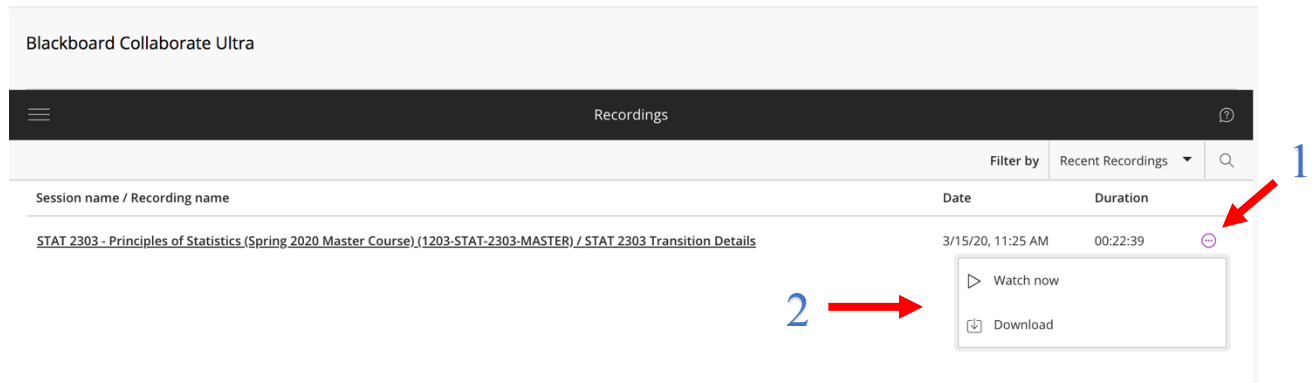

3. Find the recording by clicking on ‘Recordings’
Then, locate the name of the recording (e.g., ‘STAT 2303 Transition Details’)

Questions? Email Your Instructor!

Blackboard: How to View Blackboard Collaborate Recordings

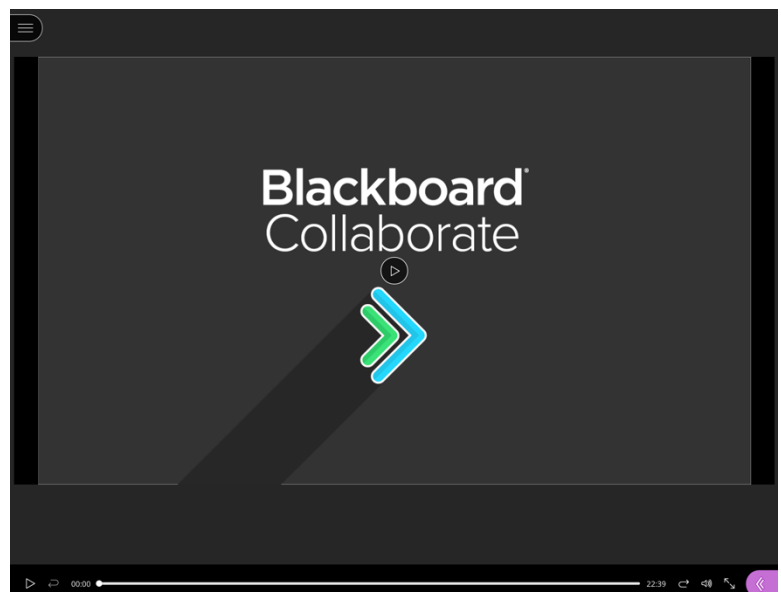

4. Click ‘...’ and choose to either: ‘Watch now’ or ‘Download’

‘Watch now’ should work for most purposes

However, if you do not have reliable internet access, it might help to ‘Download’

5. And we are ready to watch!
6. Press play!
